STUDENT LIFE

"It is time for a new generation of leadership to cope with new problems and new opportunities. For there is a new world to be won."

— John Fitzgerald Kennedy

HOMECOMING

A Catamount Tradition of Excitement and Fun

What a year! The 1992 Homecoming festivities were filled with much excitement and laughter. Western's students and faculty never stopped producing fun on campus.

Dinner on the Lawn was one event that marked the Homecoming festivities. It was held in front of the UC. Here the music blared and attracted more people than ever! The cafeteria staff set up dinner for all to enjoy. There were many smiles on campus during this time of Homecoming, and much of the excitement was put forth by the floats that were created and displayed by the students Friday afternoon. The best float produced by a fraternity, sorority, residence hall, and independent won $100 each. It was a great time for the students to unite together.

The evening hours were filled with color Friday night as Western set off a fireworks display to be remembered. On the lawn to entertain the guests was a live band, which encouraged many to dance and sing along. All this just added to the excitement already in the air.

Also new this year, was the first annual Homecoming Games Tournament. The events at the Games consisted of three men and women teams. The six games, the Lifesaver, Dizzy bat, Siamese Race, M&M Search, Water Fill and Egg Roll, were a big success.

The football game on Saturday afternoon made the Cats try to claw their way to victory over the Citadel. Although the game was lost, spirits were still high as everyone prepared for an evening of fun.

During half-time of the game, a number of things took place. Awards were handed out to Mitchell Hull, the recipient of the Distinguished Alumnus Award, and to Jesse Flake, who was awarded the Distinguished Service Award. Also during half-time, the 1992-1993 Homecoming Queen was announced. Tension rose as everyone awaited the commentator's voice. The 1992-1993 Homecoming Queen was Tricia L. Blevins.

Overall, Homecoming was a big success. The activities kept everyone involved, and the electricity of excitement in the air kept everyone alive.

WELL DESERVING. Mitchell Hull was awarded the Distinguished Alumnus Award during half-time.

CNIC TIME! Dinner on the lawn as a big hit this year and many udents came to enjoy the food.

AND THE WINNER IS . . . Tricia Blevins embraces her dad as she experiences an unforgettable moment during her college career.

THE CULLOWHEE GIANT. He brings enjoyment to others by making their favorite animals out of balloons.

JUST A SHORT QUESTIONNAIRE. Donators must answer a few simple questions prior to giving blood for safety pre-cautions.

DISPOSING OF THE WASTES! The Red Cross workers are responsible for setting up and disposing of the materials used in the process.

RELAX! The nurses sit patiently with the donator, making sure the blood continues to flow smoothly.

BLOOD DRIVE

Helping To Save A Life

One thing is for certain about Western students, and that is that they know how to participate in service projects. One such project just happens to be donating blood. Every year the Red Cross Blood Mobile comes to Western's campus from Asheville to get WCU student's help in saving lives. The Blood Mobile comes approximately three to five times annually, and there is almost always a great deal of participation.

"It feels good to give blood for the needy and it is worth a little bit of pain to save someone else's life," says Monetta Trantham, a freshman at Western.

The goal for each day the Blood Mobile is here is usually 100 pints, and they almost always reach this goal. Most often, donaters are refreshed with juice and pizza from Pizza Hut.

Overall, the Blood Drive is always a success, with the help of Western Carolina's students.

JUST SIT STILL! Many WCU students were cooperative in helping to donate blood.

Mountain Heritage Day

Preserving Western North Carolina's Best

What is an exciting and relaxing day to get out and enjoy one of Western's many traditions? You guessed it, Mountain Heritage Day. It seems that without this day, the year would not be complete. Each fall, people from all over Western North Carolina gather together to experience and observe the old time mountain heritage.

Those who attended Mountain Heritage Day were immediately greeted with tempting smells of funnel cakes, gyros, barbecue and Italian sausage, which were just a few of the dishes available.

All of the crafts displayed at Mountain Heritage Day were unique and showed true signs of craftsmanship.

With each passing row of booths this became more apparent. Mountain tradition was obvious in the basket weaving, the stained glass figures, hand crafted animals and the spectacular woodwork. Some other booths had homemade jams, jellies and porkrinds for sale.

The day just would not have been complete without the good old country music and square dancing. The blue grass fiddlers and toe-tappers added the finishing touches to the events.

As the sun began to set and the day came to a close, everyone began to part and go their separate ways. The day had been a success. For all who attended had found out what Western's mountain heritage means.

SWEPT AWAY. True worksmanship is portrayed in these handmade brooms.

THE SWEET TASTE OF SUCCESS. Honey from this vendor was one of the many prize winning favorites.

STICK 'EM UP! This youngster enjoys his mountain made wooden gun.

GIDDY UP! This man plays a part in demonstrating Western North Carolina's mountain Heritage.

SWINGING IN THE TREES. These kids enjoyed playing with the old-time forms of recreation.

A TIME TO RELAX. One of the many crafts seen at Mountain Heritage Day was the handmade baskets.

JUSTA STROLLIN'! These Western students enjoy walking around looking at the sights of Mountain Heritage Day.

COME AND GET IT! This man demonstrates the proper form of making apple butter.

PICKIN' AND GRINNIN'! Attendants of the Mountain Heritage Day festivities enjoyed music performed by several local bands.

WCU WEEKENDS

Not Your Ordinary Weekend

With the beginning of a new school year came something a little different: Western Weekends. These weekends came complete with football, fall colors, dining, and dancing, which made them one of a kind. There were a total of six Western Weekends, which helped to make the 1992 fall semester a blast.

First, Beach Party weekend, which took place Labor Day weekend, was summer's grand finale. The Beach Party was held at the Ramsey Center, and participants were entertained with music by "Chairman of the Board." The day was topped off with a victorious football game over Mars Hill.

Three weeks later, Western's campus came to life with old time mountain tradition of food, music, crafts, and all the mountain style trimmings. The weekend was highlighted with a great defeat over Ferrum.

October 10th brought the Hall of Fame weekend. This weekend was set aside to honor former Catamount Athletes. This weekend was filled with sporting events such as football against VMI, women's Volleyball with N.C. State, plus a golf tournament.

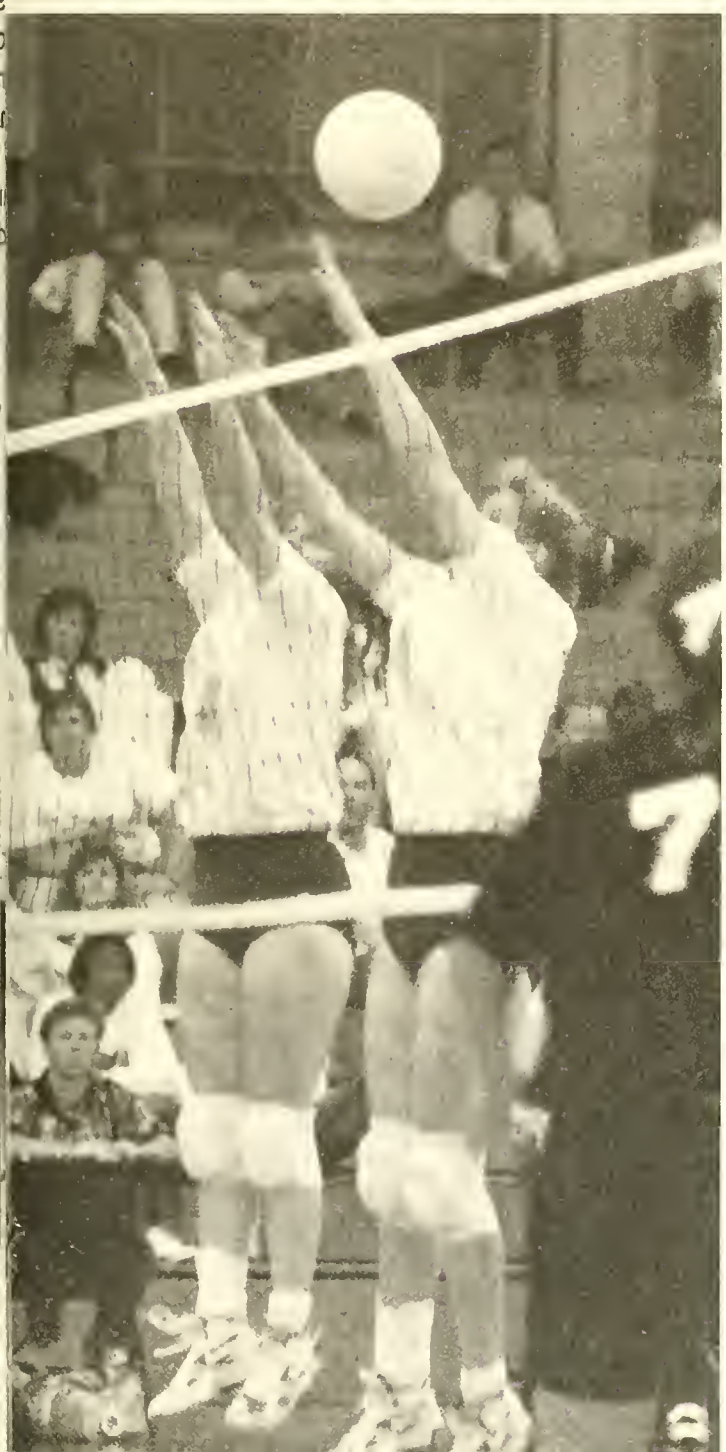
The fourth big weekend of the semester was to honor all WCU alumni. Homecoming weekend was filled with events like reunions, games, parades, fun for children, road races, and open house. The football game against The Citadel plus golf and tennis tournaments only added to the weekend's excitement.

October 31st brought about a happy Halloween with a luncheon that proved to be positively ghoulish! This weekend coincided with open house for prospective Western students. Football against Marshall and women's volleyball wrapped up the weekend.

The final Western Weekend for the fall '92 semester was Purple Saturday, also known as Parents day. During this weekend Catamount pride came alive. Tailgate picnics, music, contests, prizes, and a luncheon to honor parents of students all marked this eventful day. Purple attire was seen throughout the stadium at the game against ETSU.

All in all, these weekends provided Alumni, parents, students, and local residents a great deal of entertainment.

CONGRATULATIONS! During the Homecoming festivities on Homecoming Weekend, the Alumni Association named their annual award recipients.



STRIKE UP THE BAND! Western's performing band is a very important part of all the football games as well as WCU Weekends.

JUMPING FOR JOY! The volleyball games are a very big part of all Western Weekends.

ALL SHOPPED OUT! These participants at Mountain Heritage Day enjoy going to the Western Weekend's events.

DEDICATED TO YOU! The dedication of the Bird Alumni House is one event that marked WCU's Homecoming Weekend.

WHERE'S THE BALL? In addition to fun, Catamount football was the center of attention at all Western Weekends.

BOO! Western's Halloween Weekend was marked with spooks of all kinds haunting the campus and surrounding areas.

FOOD, FOLKS, AND FUN! One event that marked certain WCU Weekends was Dinner on the Lawn.

FOOD COURT

Progress Comes To WCU In The Form of Food

On September 18, 1992, Western students witnessed a change. The Food Services expanded to better serve the students by installing a Food Court in the Dodson annex. This new Food Court includes Taco Bell, Pizza Inn, and TCBY Yogurt Shoppe.

The Food Court is open from 10 am to 10 pm, and is perfect for those students who would otherwise miss the scheduled meals served in the cafeterias. With the opening of the Food Court, came some more changes. Brown Cafeteria is no longer open on the weekends, and it only serves a continental breakfast. Also with the opening of the Food Court, approximately 100 more students were employed by Food Services to work.

Cecil Ward, director of Food Services, best summarized the opening of the Food Court by saying, "I have seen many changes and improvements in my 36 years of service, but as far as customer satisfaction, this has to be the greatest."

JUST SAY CHARGE IT! Students receive their food as easily as using their meal card.

A COOL DELIGHT! Many students have found that yogurt makes a great cool snack.

SUCH EXCITING FOOD!! This meal is far from exciting, but when you are on the run it will do.

FREE REFILLS! At the Food Court you can drink as much as you like for one price.

MAKE A RUN FOR THE BORDER! Taco Bell has a great selection of food to choose from.

DINNER ON THE LAWN

Another Day Of Fun In The Sun

TESTING, ONE, TWO, THREE. A live band performed at Dinner On The Lawn to keep the crowds entertained. This was just one of the many types of entertainment that was offered to Western students.

TAKE IT EAST! The whole idea of Dinner on The Lawn is for Western students to have an opportunity to get away from their normal routine and relax a bit.

SUCH BRAVERY! Another form of entertainment at Dinner on the Lawn was the comedian. He performed such acts as juggling and unicycling.

COME AND GET IT! Western students have the opportunity, on certain days, to eat dinner on the lawn of the U.C. Each year, the food services offer this opportunity to students as a way to break the norm. Students have the option of either eating dinner on the lawn or eating at Brown Cafeteria, which remains open, or at the Food Court, which is a new addition to the food services program at Western.

FINGER LICKIN' GOOD! This Western student enjoys the fine cuisine offered for dinner.

SAY CHEESE! Anne Conner stops eating long enough to smile for the picture man.

HALLOWEEN

A TOTALLY GHOULISH NIGHT IN CULLOWHEE

On a college campus, in particular Western Carolina, Halloween Night is action packed with activity, lasting until the early morning hours. The spirit of Halloween is definately on Western's campus every year, but especially this one. Whether it was watching one of the many sequals to Halloween, the movie, or going partying, or going out to a haunted house sponsored by one of Western's own fraternities, there was certainly something for everyone.

The Sigma Chi's were just one fraternity in particular that hosted a haunted house this year. Legend has it, that this house is haunted by a ghost named Rachel, who allegedly killed her family and then she hanged herself. Every year during the last week of October, she comes back to relive the horrible massacre of her family and hopes to find new victims.

In addition to haunted houses, many Western students enjoyed attending small private parties with their friends.

Overall, Halloween is a time for WCU's students to cut loose and get away with their friends for a totally haunting experience.

WHO WANTS TRIDENT?? I DO I DO!! The best part of Halloween is the treats.

EAR ME ROAR — MEOW!! ven Cat Woman showed up for e festivities at Western.

LOOK OUT ELVIRA! Tracie Bodiford is all dressed up for a night of Halloween partying.

WHAT A COMBINATION! Vanessa Parrish, Tammy Sanders, and Fran Shuler are on their way to party with the Zeta's.

LET'S ROCK AND ROLL! Th
lead singer gets the crowd in
roaring form to enjoy the night.

LET THE GOOD TUNES ROLL! David Connell has a way of making the guitar play some sweet music.

IN THE SPOTLIGHT! The Connells drummer concentrates about his next performance in front of WCU fans.

THE MAJIC TOUCH. One way to please the crowds is to let George Huntley's fingers do the walking.

THE CONNELLS

The Alternative Way to Rock!

When the Connells arrived at Western Carolina University's campus on November 3, 1992, many students were excited and enthusiastic about atting their concert.

The alternative rock group is from the Raleigh area, and have been playing together since 1984.

This group became close friends during their high school years, and enjoy playing for college campuses. However, they also perform in larger cities such as Atlanta, Charlotte, and Columbia.

"I like the Connells and they seem to make the crowd shout for more," was the reply given by WCU student Danette Harrell when asked about the concert.

Currently the group is trying to expand and produce a new album.

JAM IT UP! Toe Jam opened the concert for The Connells with a number of their favorite songs.

ALUMNI HOUSE

Completion of project results in Bird's dedication

Alumni visit and conversate with old friends at the dedication ceremony of the Bird Alumni House.

On October 24, 1992, The Bird Alumni House opened its doors for the first time to the WCU Alumni and students.

The Alumni House is a house with history. Until the 1940's, the faculty members lived in the Western Carolina Teachers College's dormitories and facilities. Dean Bird and his wife, Myrtle Bird, were among the first to build a house on campus. The Bird's house was originally built for $8,000. After the death of Mr. and Mrs. Bird, WCU bought the house and now offers it for use as an Alumni House for the students and alumni of WCU.

The total cost of restoring this house was approximately $100,000. The funding came from a variety of sources which included: donations by Chancellor Myron Coulter, funds raised from alumni, donations from furniture companies, and individual gifts.

The house was established to provide a sense of ownership for alumni. Therefore, the theme of The Bird Alumni House is "A Place to Call Our Own."

The house is a two-story brick home with a screened patio in the back and a full size porch on the side. Downstairs there is a kitchen, a dining room, two living rooms, and a bathroom. Upstairs consists of three lovely bedrooms, a study, and a bathroom.

The house is so neatly fashioned that, when viewing it, one could easiy get the impression that they are flipping through a home decorating magazine.

Phillip Cauley, Director of Alumni Affairs, gives a welcoming speech at the dedication ceremony.

The Bird Alumni House sign can be found in the front yard of the Bird House.

These Western students gathe around a table full of career in formation in hopes of discovering what awaits them after gradu ation.

This prospective employer explains to an interested student what he should expect in relation to his career choice.

CAREER DAY

A Look Into The Future

This student earnestly listens to how she can become involved in a career that will help save the environment.

Career Day is held once every fall semester in WCU's Ramsey Regional Activity Center and is set up to help students obtain information that will be helpful in the career decision-making process.

The event is sponsored by the Career and Academic Planning Center (CAP) and is designed to help students answer questions such as: what to major in; what to do with the major after college; how difficult it will be to get a job in that major; the salaries for the career field chosen, etc.

This past year, for the first time, Career Day had graduate schools represented for those interested in attending graduate school after completing their four year degree. The graduate schools that were represented included: WCU, Appalachian State University, Clemson University, Wake Forest University, and the University of Tennessee.

In addition to a variety of businesses, Career Day provided representatives from the medical fields, public and environmental health, education, law enforcement, broadcasting, the Armed Forces and various state and federal agencies.

Virginia Rynk, a participant in Career Day and an Engineering major at WCU felt the same way many Western students did about Career Day. She said, "I talked with many prospective employers and discovered that there are several opportunities awaiting me when I graduate."

CHEERLEADERS

Spirit Is What We Have Got!

The year would not be complete without their smiling faces. The Western Carolina University Cheerleaders have a positive impact on both the sports players and the spectators. During the year, the Cheerleaders engage in events such as placing balloons around campus before a big game, and performing on the University Center lawn, as well as many other activities.

All of the energy the Cheerleaders put forth works to convey a larger crowd at the games. Does it work? Just ask any athletic participant. Many of the games have been elbow to elbow and there is always plenty of spirit to keep the Cats going strong.

There is a great deal of dedication, trust, hard work, and time that makes both the Varsity and Junior Varsity squads so splendid. The best quality about the Cheerleaders is their ability to work as a team. Their efforts have helped WCU sparkle and shine.

STANDING PROUD! WCU Cheerleaders show that they are the best with their smiles.

LIFTING UP THOSE CATA-MOUNT SPIRITS! Giving it her all, this cheerleader raised the crowds spirits.

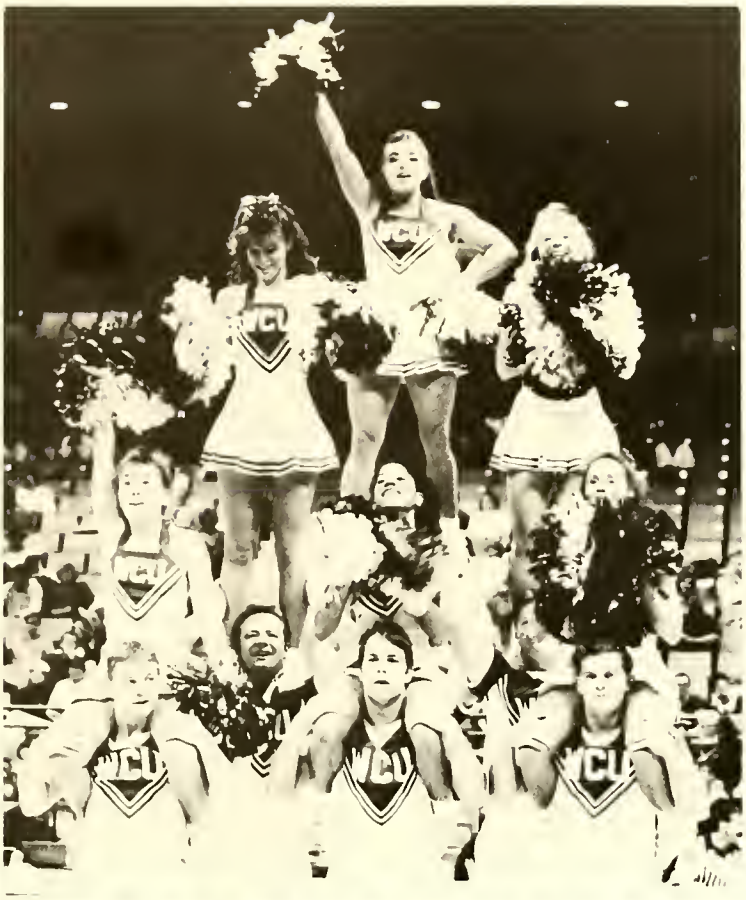
LET'S GO WESTERN! The JV squad demonstrates enthusiasm during their performance at a football game.

WHAT TECHNIQUE! The Western Varsity partners put up a chair extension to get the crowd motivated.

STRIKE A POSE! Hours of practice to keep in synch makes these partners shine.

SHOWING IT OFF! The JV squad show how they get along together in their group picture.

IT'S BEEN A LONG NIGHT! Things may be looking bad, but Nicole Stafford has confidence in her team.

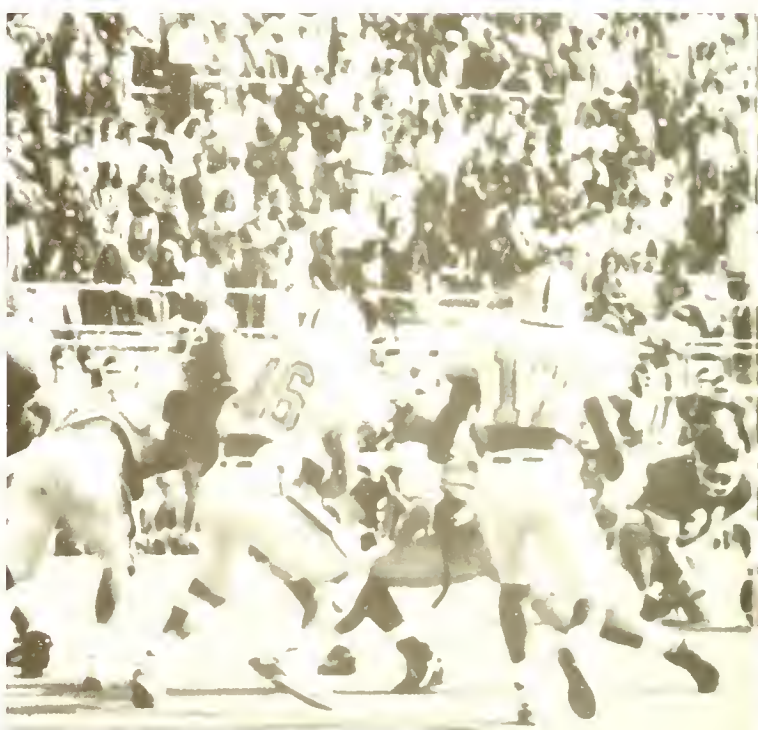


JOINED TOGETHER BY UNITY! The cheerleaders have the strength and team unity to go all the way.

DON'T STOP NOW! Keeping the basketball players and crowd rearing to go is these cheerleaders job.

FOOTBALL

COMING A LONG WAY IN A SHORT TIME



The 1992 Catamount Football team made a spectacular comeback this year! They worked hard and finished the season with a 7-4 overall, and a 5-2 in the Southern Conference. Coach Hodgins has succeeded in bringing the team far in his coaching years at Western.

The Cats opened the season with an easy win against Mars Hill. However, they then took a tough, hard loss against the Yellow Jackets of Georgia Tech. By the first Southern Conference game, the Cats were 2-2. Their first conference game was a close victory over the VMI Cadets, and when it came time for the homecoming game, their record was 4-2.

The Catamounts took an unfortunate 36-31 loss against the Citadel at Homecoming, but came back strong to beat Marshall 38-30 in the next game. This victory over Marshall tied Western for first place in the Southern Conference. The Cats went on to win their next two games against Furman and East Tennessee State. These victories left only one game between them and the Conference Championship.

The Catamounts battled it out to the very end, not giving up as they faced the Appalachian Mountaineers in the Conference Championship game. The Catamounts put up a strong fight, but just could not stop the Mountaineers. The 14-12 loss brought the football season to an abrupt end; however, it was exciting up to the last game.

ESCAPING THE JAWS OF DEATH. Western's #7 skillfully makes his way past a tackler.

WILL IT BE ANOTHER TOUCHDOWN? #36 tries, successfully, to make his way into the inzone.

GO WESTERN, GO WESTERN!! The Catamount fans cheer on the players as they attempt a field goal.

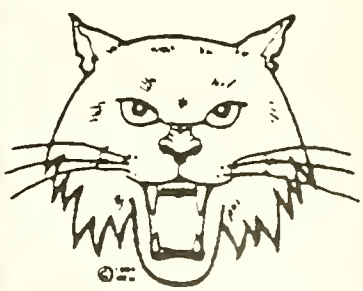
GET HIM CATS! Three of our Catamounts move in for a tackle on the opponent's player.

WE WIN, WE WIN! The Catamounts win their first home Conference game of the season, as the sign accurately flashes the scores.



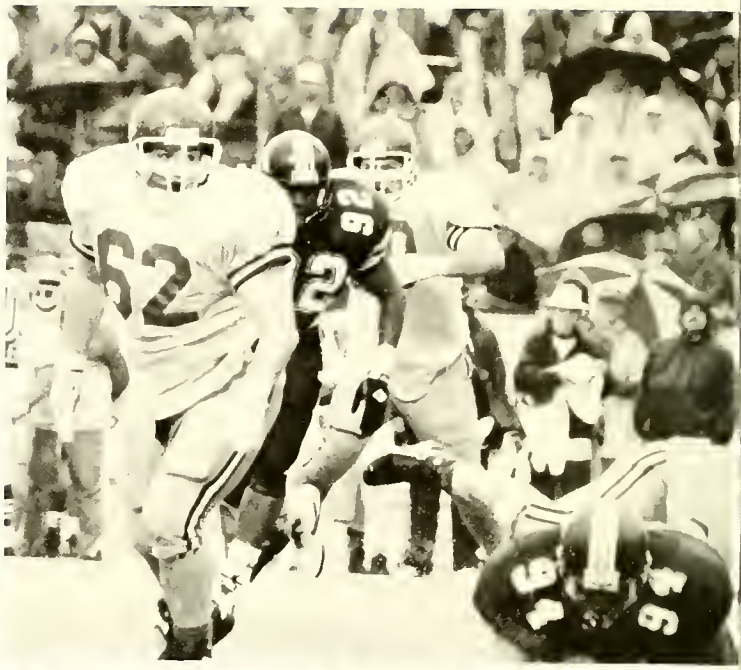
FAST AS FAST CAN BE, YOU'LL NEVER CATCH ME!! Catamount's #3 runs the ball into the Catamount inzone for a touchdown.

TAKE HIM ON DOWN! The Catamounts wrestle down a Marshall player.

MAKING A MOVE! This Catamount tries to get through two Marshall defensive players for the stretch.

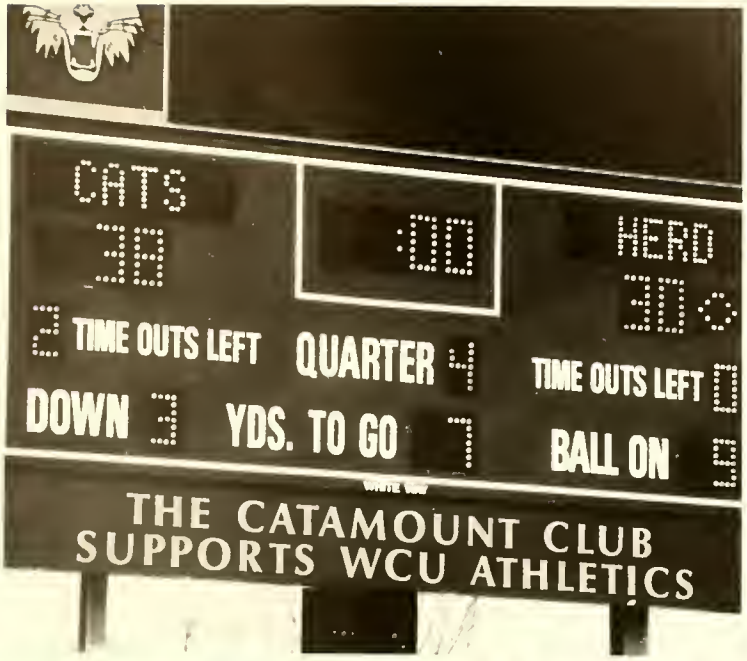
TEAMWORK IS THE ANSWER! A Cat helps his fellow teammate up after a spectacular play.

I'VE GOT IT, MAYBE!! The ball flies into the air as the players scramble to recover it.



MAKING THE PLAY! Catamount's #7 looks for an open player to pass the ball to.

BLOCK THE PLAY!" The Catamounts join together to prevent the opponent's player from coming through.



THE SCOREBOARD TELLS IT ALL!! Western beats Marshall in a home conference game.

OH NO!! A Catamount offensive player is stopped in his tracks by an Appalachian defensive player.

GOING DOWN!!! Western's #56 takes down an East Tennessee player.

GREEKS

"All changes, even the most longed for, have their melancholy; for what we leave behind us is a part of ourselves; we must die to one life before we can enter into another!"

— Anatole France

ALPHA CHI OMEGA

Nationally founded in 1885, the Zeta Omega chapter of Alpha Chi Omega was chartered at Western in its centennial year, 1985. The ladies of Alpha Chi Omega uphold the highest standards and strive to accomplish all that they set out to do. In fact, in the 8 years that they have been at Western, they have received sorority of the year twice and highest sorority grades for 5 years. Their pledge classes have received the highest GPA award for 3 years.

Alpha Chi's can be found anywhere you look on campus. They are involved in a wide range of clubs and organizations from departmental clubs to Chancellor's Ambassadors. They have always held strong positions in intramurals and have been number 1 in several events including all campus sorority champion for 2 years. Alpha Chi's also participate in such events as Greek Week, Homecoming, Pike's Peak, Lambda Chi raft race, Sigma Chi Derby Days, and the Tukaseegee River clean-up.

Alpha Chi ladies work hard to support their main philanthropy, the Alpha Chi Omega Foundation, which helps many people who are in need. Other organizations which Alpha Chi Omega supports are Easter Seals, Muscular Distrophy, Reach home for battered women and their children, Broyhill home for girls, Camp Lab, and the Sylva Nursing home.

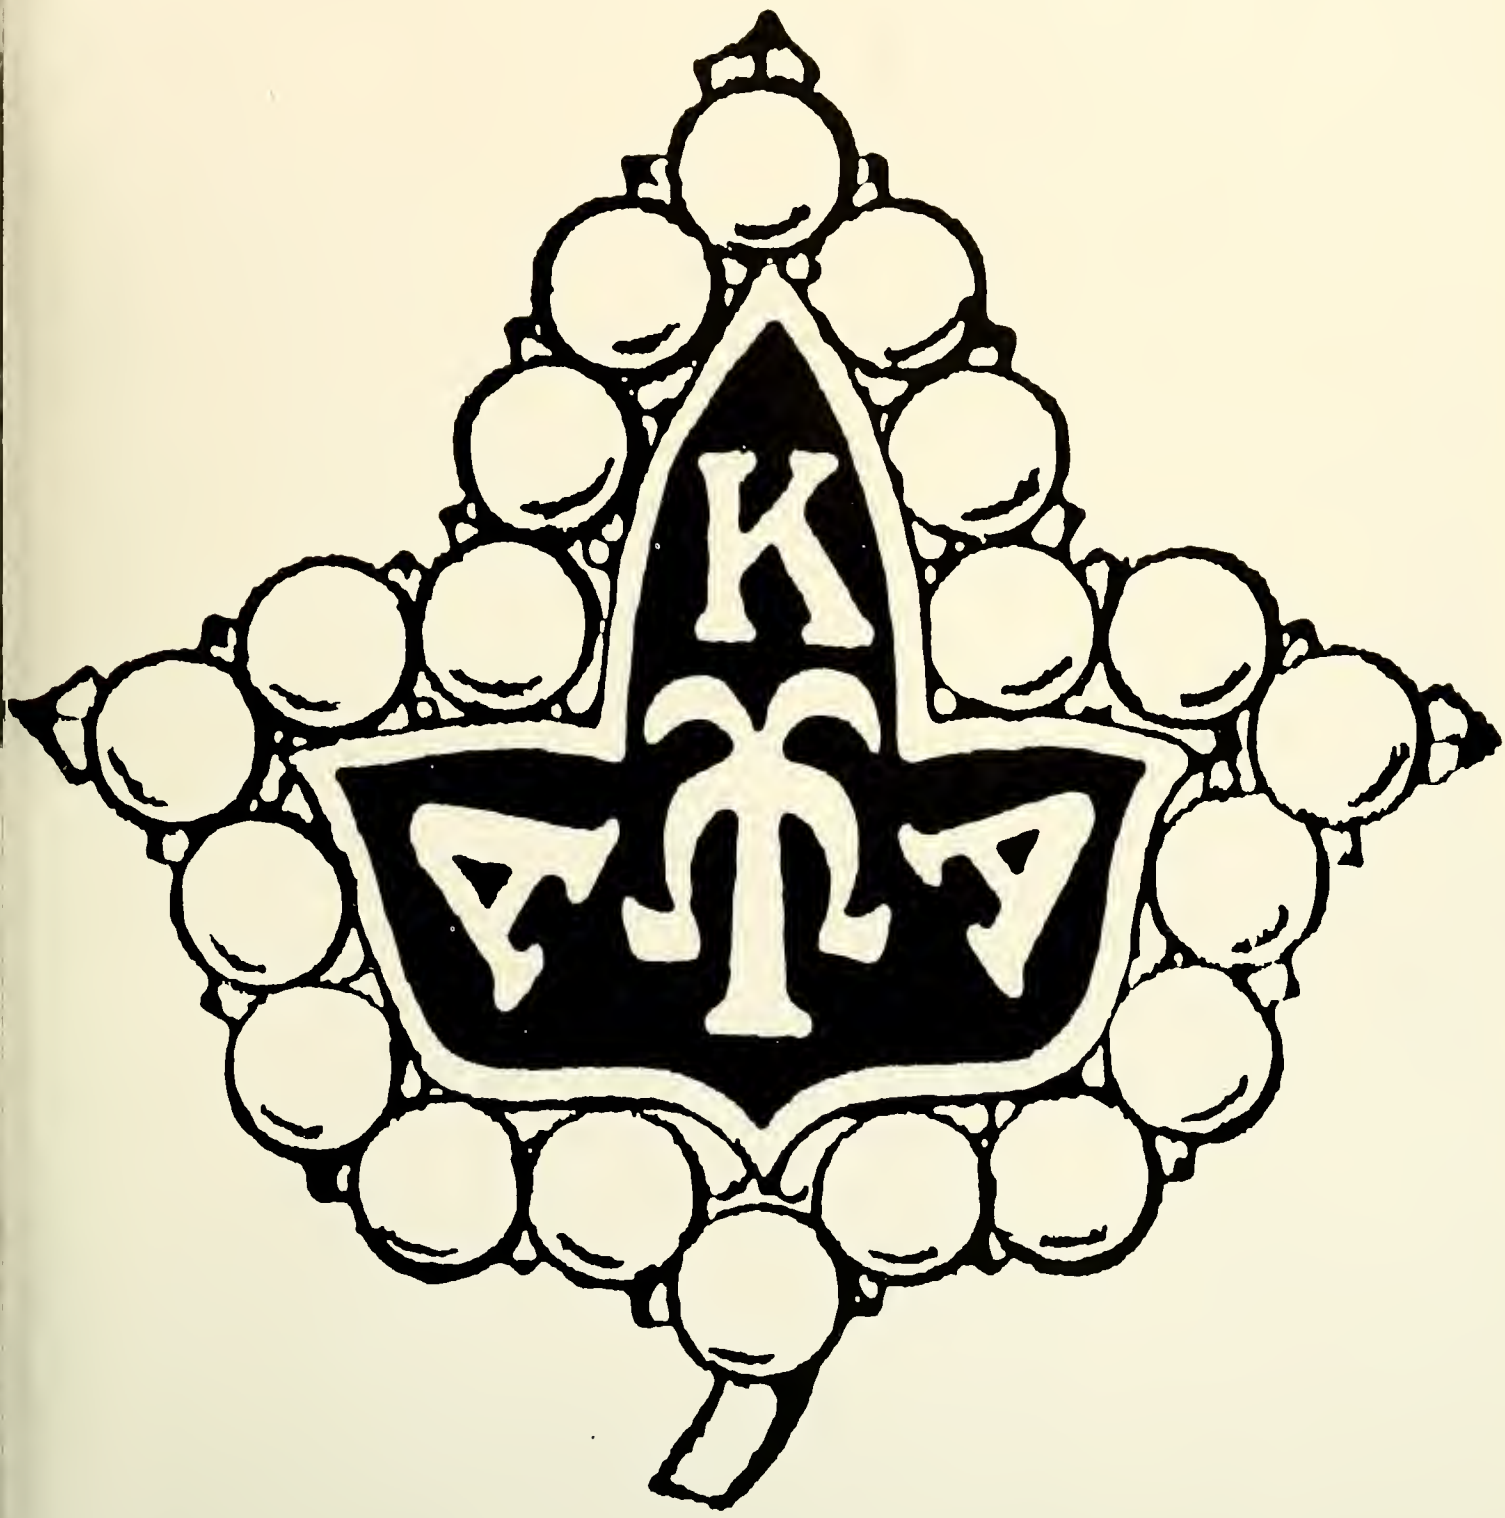
ALPHA KAPPA ALPHA

Alpha Kappa Alpha Sorority, Incorporated, is the oldest Greek-letter organization established by African-American college women in America. The sorority was founded on January 15, 1908 on the campus of Howard University, Washington, D.C. Currently Alpha Kappa Alpha's National Program Thrust is; "Creative Strategies for Action: Addressing the Crises for the 1990's." The strategies focus on education, health, economics, the Black family, the arts, and world community. Alpha Kappa Alpha members are over 125,000 women — united by a bond of sisterhood and a commitment to service. The Kappa Alpha Chapter was chartered on the WCU campus in 1975. Chapter members are committed to excellence and are active members of the WCU campus and community.



ALPHA XI DELTA

The life of an Alpha Xi is an active one. She can be seen participating in Greek Week, Spring Fling, Pikes Peak, and as a volunteer for Special Olympics and Catathon. She raises funds for the Jackson Co. Humane Society and for the American Lung Association.

Alpha Xi's are also seen in various honor societies, litter sister organizations, as residence assistants, and as ever present intramural participants.

All of this is only part of what membership in Alpha Xi Delta includes.

DELTA ZETA

Delta Zeta has had a very busy and exciting year. Starting in October, Miss Tricia Blevins, our president, won the title of 1992 Homecoming Queen. Also, while participating in the Sigma Chi sponsored philanthropy event, Lori Bingham won second place in the Miss Derby Queen competition. Delta Zeta finished off Derby Days as winner of the week.

We have also been successful this year with our philanthropy, speech and hearing. Other projects we have been involved with include the following: Adopt-A-Highway, Rock-A-Thons, Camp Lab Halloween Carnival, and an Easter Egg Hunt.

Overall, the greatest achievement we have been awarded this year came on February 6, when Theta Iota attended Province at the Hilton in Asheville. We were awarded several chapter awards, including Most Improved Chapter, Rush Improvement, Promise of Province received by Christy Phillips, Standards and Risk Management. Kim Peele received Outstanding Junior Award and Tricia Blevins was chosen as Outstanding President.

Although we have achieved so much this year, we will continue to strive to make Delta Zeta the best it can be.

ZETA TAU ALPHA

To be a Zeta is to be an individual with unique ideals and goals, yet tied together in the bonds of a special sisterhood that lasts for a lifetime. Each Zeta share their love and friendship, that contributes to the building of a purer and nobler womanhood, in a number of areas. One aspect that Zeta Tau Alpha excels in is the arena of service to others. Our chapter has accomplished many wonderful projects from sponsoring our 3rd annual fashion show entitled "Fashion with Finesse," picking up trash along our two miles of Adopt-A-Highway, to working with a school in Cherokee to raise money for a young man with spina bifida. While we are primarily a service fraternity there are other aspects as well. They range from participating in Lambda Chi Kidnap, Sigma Phi Epsilon's Mud Volleyball, Sigma Chi Derby Days, Crown Ball Weekend, Parents Day, Bunny Bucks Auction and socials with fraternities just to name a few things. To include everything that Zeta Tau Alpha possesses as a sisterhood is best summed up in the following poem:

Whether or not you like Zeta Tau Alpha depends on what you're looking for.

If you are looking for beauty queens, we've got them . . . but not all of them wear crowns. They are just beautiful people.

If you want to win a lot, we do it . . . but we have a habit of winning even when we lose.

If you're looking for friendship, we've got it . . . but our kind of friends don't take they give.

So you can see, we know who we are, what we have and maybe what you're looking for. The key words are beautiful, win, unity, individuality and friendship.

And of course there is love . . . but, in Zeta Tau Alpha that goes without saying . . .

ALPHA PHI ALPHA

Alpha Phi Alpha Fraternity was founded December 4, 1906 at Cronell University in Ithica, N.Y. by a group of students who desired to maintain a more intimate contact with one another than the classroom permitted. Thus, being the first predominantly black fraternity their ideals are high, as they continue to promote brotherhood, scholarship, and high moral character among their members. Their colors are black and gold, and they are "Servants of All."

DELTA CHI

The Western Carolina Colony of the Delta Chi Fraternity experienced a very busy year which will be highlighted by twelve graduating seniors who will receive their degrees on May 8, 1993. The achievements of the Colony were made possible by these twelve men who helped to mold this organization into something to be proud.

The fall semester of 1992 actually began in mid-summer when all the members of the Colony gathered in Cullowhee to paint our new house, located across from the Ramsey Center. The name of the road which the Delta Chi House sits on was changed to Delta Chi Drive. When August rolled around, we were geared for Rush. Fall Rush 1992 resulted in a Gamma class of seven Associate Members. We had four mixers with Alpha Chi Omega, Zeta Tau Alpha, Phi Mu and Gamma Phi Beta (UNC-A). The intramural squads finished in the top three fraternities in football, basketball, and softball. In addition, we held two fundraising events with the proceeds going to the Leukemia Society of America. For the annual WCU-ASU football game, we roadtripped to Appalachian State to party with our Delta Chi Brothers.

After Christmas Break, we returned for the spring semester and Formal Rush. As a result of Spring Rush, we received a Delta Class of 10 Associate Members. We participated well in intramurals and overall campus participation. Delta Chi is on the move.

DELTA SIGMA PHI

Within the academic year of 1992-1993, the Delta Omicron Chapter of Delta Sigma Phi Fraternity at Western Carolina University has accomplished many goals. The Delta Sig's hosted the first ever Western North Carolina Bone Marrow Drive for the American Red Cross, raffled away a year's worth of groceries from Ingle's, and supported Western Carolina, the community and philanthropy through a number of different activities. This year turned out to be a social and service oriented success.

KAPPA ALPHA

Living up to the ideals of Robert E. Lee and the South, was the purpose of the founding of the Kappa Alpha Order in December, 1865, at Washington and Lee University. Along with furthering the traditions of the Old South, the brothers hold a traditional Old South Ball, participate in intramural sports, and other campus activities.

KAPPA ALPHA PSI

Kappa Alpha Psi, now comprised of functioning predominantly black undergraduate and graduate chapters on major campuses, was founded on January 5, 1911 by a group of men with a "Dream" on the campus of Indiana University. Kappa Alpha Psi is dedicated to the principle of "Achievement," through a truly democratic fraternity and is open to college men everywhere regardless of their color, religion or national origin.

LAMBDA CHI ALPHA

The Beta Zeta Chapter of Lambda Chi Alpha is about honest friendships, hard work, in and out of the classroom, and having fun. Lambda Chi's hold many of the key leadership positions on campus, and are consistently among the top fraternities in grades.

Lambda Chi participates in many programs, such as intramurals, community service, scholarships, informative guest speakers, and social functions in order to provide our members with the best that university life has to offer.

Some of the many events that Lambda Chi sponsors are Sorority Kidnap, Crescent Weekend (in Panama City), Social Mixers with Western Sororities, canned food drives, as well as can shakes. Lambda Chi is also always ready to assist the university and its students with blood drives, Mountain Heritage Day, book sales, or anything that needs a group of motivated, hard-working men.

Finally, Lamba Chi is about brotherhood, not just during our academic careers, but for a lifetime.

PI KAPPA PHI

"Nothing shall tear us asunder" is the Pi Kappa Phi fraternity motto that members follow as they promote their ideals of fellowship, trust, scholarship, Christian manhood, and citizenship. The "Pi Kapps" were founded nationally on December 10, 1904, and chartered locally in January, 1967. Known as the "Friendly fraternity," their activities include intramural sports, an annual Rose Ball, Battle of the Bands, as well as numerous charity drives, such as a softball marathon.

SIGMA CHI

Sigma Chi was founded in 1855 at Miami University in Oxford Ohio. The founders of Sigma Chi sought to create more than just a social organization that called its members "brothers". They sought to create a spirit among its members that would bind them into a true brotherhood.

In August, 1986, that spirit came to Western Carolina with the founding of Sigma Chi. In our short Time here at Western, Sigma Chi became involved in many sorority and fraternal activities such as intramural sports, school projects and several community service projects. When a young man becomes part of Sigma Chi he doesn't join a fraternity while he's in college, he becomes part of a family.

SIGMA NU

Sigma Nu Brotherhood at its best! Nearly half of our brothers shaved their heads for one of the brothers who was sick.

We are very proud of and thoroughly enjoying our new house.

Sigma Nu International Fraternity, established nationally on January 1, 1869 and locally on November 9, 1985, was founded on the ideals of truth, love, honor, and brotherhood.

At Western Carolina University, the Kappa Phi Chapter of Sigma Nu is striving to be the best fraternity on campus with brotherhood and community service being the measures. We encourage leadership, ethics, development, and brotherhood. Our brotherhood consists of a wide variety of individuals who come together in Sigma Nu to form one. We presently have a small, closely-knit brotherhood and we very carefully choose qualified men who show attributes of love, honor, and truth.

Nationally, Sigma Nu has been recognized as the number 1 fraternity in the nation by the Executive Directors of all 59 collegiate fraternities. Criteria taken into consideration include grades, number of collegiate members, and assets to name a few. A military fraternity in origin, Sigma Nu stresses discipline in a non-hazing fashion.

SIGMA PHI EPSILON

Twelve men formed Sigma Phi Epsilon, at Richmond College (now the University of Richmond), on November 1, 1901. They based their fraternity on three principals: Virtue, Diligence, and Brotherly Love.

Sigma Phi Epsilon has grown to become the second largest among 60 national fraternities An independent survey bureau, which ranks fraternity chapters by peer consensus of quality on each campus, has, over the past few years, consistently placed Sigma Phi Epsilon in the top five national fraternities nationwide. Over 70% of our chapters continue to rank in the top half of their campuses.

85% of Sigma Phi Epsilon chapters are in some form of fraternity housing.

The brothers of Sigma Phi Epsilon invite you to become a member of the Greek System.

TAU KAPPA EPSILON

The initiation of Zeta Omicron chapter of Tau Kappa Epsilon on April 4, 1959 made TKE the largest international social fraternity in the world. The men of TKE are not judged by wealth or rank, but by personal worth and character. We preserve a small, yet strong brotherhood in order to perpetuate a tight bond within the fraternity. Tau Kappa Epsilon strives for academic achievement and scholarship and is active in recycling efforts in collaboration with Webster Enterprises. We value our work in the community as an essential contribution to society. The activities in which TKE is involved include blood drives, clothes drives, and can shakes. TKE has always been a part of Greek activities, with the annual fun and games each spring.

Above all else, TKE stands for men!

MUD VOLLEYBALL

Gettin' Down and Dirty in Cullowhee

On Saturday, September 19, 1992, a group of adventurous students set forth to "get down and dirty in Cullowhee. After a typical day of rain, the Mud Volleyball field was good and muddy, just right for competition. There was only one team that could win the trophy that day, and they were going to have to work for it!

Eighty-four teams came to play for the 5th Annual Mud Volleyball, but not all from Cullowhee. Some came from South Carolina, Georgia, Tennessee and even from New York! When it was all over the East Tennessee State Sigma Phi Epsilon took home the trophy.

Even the losers had something to cheer about, the Western Carolina's Sigma Phi Epsilon raised $1500.00 for their philanthropy, the Ronald McDonald House.

So those of you who did not have a chance to get down and dirty this year do not fret, just pick out an old pair of shorts and shirt and get ready for the 6th Annual Mud Volleyball.

A DIRTY KIND OF LOVE. These girls demonstrate just how easy it is to get down and dirty.

WASH THAT MUD RIGHT OUT OF YOUR HAIR! These participants found that in addition to consumption, beer is great for washing.

JUMPIN' FOR JOY! The wet and wild volleyball game kept all the participants on their toes.

WHOOPS! As the day goes on, and everyone gets wetter, it gets harder to keep a grip on the ball.

CAUGHT PLAYING IN THE MUD! These guys take a short time out for a picture.

DERBY DAYS

Baby Got Derby, Sigma Chi's Derby That Is!

The month of October brought the Third Annual Sigma Chi Derby Games to Western. This week brought fun and games for the sororities on campus to raise money for the Children's Miracle Network. The sisters showed their singing talents to the tune of their favorite songs at Monday's Lip Sync contest. Phi Mu and Zeta Tau Alpha shared first place in this musical battle. Tuesday brought about the Derby Chase event which was won by Delta Zeta. The girls had to be quick on their feet to chase down derbies, or they had to be good with the charm to talk the brother into giving them the derby. The next day's event was the coach kidnap. The Sigma Chi coaches were taken to the sorority halls where they were dressed up and paraded around campus. Thursday was used as a serious day to raise money for charities. The Penny Pitch and Derby Queen competition both took place on Friday. The Zetas took the penny pitch's first place spot while Delta Zeta's Lori Bingham won the title of Derby Queen. Saturday's Derby Games brought an end to the week's competition. Many different events took place with Alpha Xi Delta winning the games. At a party held later that evening at the Sigma Chi house, Alpha Xi Delta was announced as the overall winner of the week's activities.

GO DEE ZEE! Delta Zeta Lori Bingham lets out a shout of joy after winning Derby Queen.

I DO WHAT?!! Heather Broome prepares to shave a balloon in one of the many Derby Games.

SHAKE IT BABY! The Sigma Chi coaches also showed their abilities during the Derby Queen competition.

NUKE 'EM! The Zeta's decide whose jar they should put their quarters in during the Penny Pinch.

AND THE WINNER IS . . . Derby Queen contestants await the final decision of the judges.

HERE'S EGG IN YOUR FACE! It takes a steady hand to drop the yolk into the cup in your partner's mouth!

SISTERS AND FRIENDS! A trio of Phi Mu's pose for a shot as they await their next event.

GETTING ROLLED! Zeta's Sharon Rigney and Missy Winkler race to cover their coach with toilet paper before the other teams do.

ALL MESSED UP! . . . And no place to go, except to wash off the shaving cream and plot revenge.

PREPARE FOR BATTLE! Delta Zeta Kim Peele takes some practice swings with her newspaper/ eggswatter.

BUSTED! Alpha Xi Rhonda Cole gets wet as a sister tries to burst the water balloons in her overalls.

THINK STRATEGY! The sisters of Delta Zeta plan how they can win some more events.

WE'RE #1! Alpha Xi Delta's pose for a victory photo after winning the Derby Games.

GO ZETA!! Lani Hashimoto demonstrates her unusual strength in the keg toss.

A NEW GAME OF BASEBALL? Dizzy Bat brings new meaning to the phrase, "All American Sport".

"COULDN'T HAVE DONE IT WITHOUT 'EM!!" These three helped to make all the events of the week possible.

"I HAVE TO EAT THE WHOLE THING?" For many, the pie eating contest proved to be rather sickening.

SMILING PRETTY! These Teke's take a few minutes away from their philanthropy booth to smile for the camera.

SISTERLY TOGETHERNESS! The sisters of Alpha Xi Delta sorority bond together in their moment of glory.

DRINK, BABY, DRINK!! The baby bottle chug was a fairly easy task for some, as this Delta Sig proves.

BACK TO GREECE! These gentlemen pull the chariot to win the race.

TESTING HER STRENGTH! This Delta Zeta puts all her effort into winning the arm wrestling competition for her sorority.

A MAN'S SPORT? This Phi Mu shows us that even girls can play football.

ON YOUR MARK, GET SET, GO!! These pyramid builders are ready to run toward victory.

THROWING HIS WEIGHT AROUND. This Sig Ep is concentrating hard to get his bottle cap to go the farthest.

A GAME OF TUG-OF-WAR. These girls are pulling hard to beat their opponent.

Dear Tonya,

Congratulations!!!

We seem to spend our lives planning for the future . . . tomorrow is always in our thoughts while today slips away, and yesterday sometimes turns to remind us of our mistakes.

We try to hold the special moments, forgetting that the best is yet to come; that tomorrow is another day, another chance to take, another dream to fulfill.

Relationships don't always succeed, friendships sometimes change, but I want you to know, no matter what happens to us, I will always be here for you.

Open arms to hold you, an open heart to love you, an open mind to listen.

You will never be alone.

Together we'll create new dreams and take our chances

If we fail, we won't hurt so badly, because caring love heals all wonds, no matter how deep or painful.

So give me a smile that I can return, a moment that we can share.

Allow me the time to know you completely and I will always love you just the way you are.

— D. McCoy

Love and Best Wishes,
Mom and Dad

Thomas Craig Harris

From Childhood to Manhood in life you have come.
We want you to know
We are Proud of you Son.
Continue each day to let the Lord lead.
And in the rest of your life you'll always succeed.

We Love You,
Daddy, Mother, and
Your Sisters

David Gregory Girton

Dear Grey,

We are so proud of you for this great accomplishment! Best wishes for much success and happiness in the future. May God Bless You!

Love to you always,
Mom, Harold, Patrick and Chris

Ann Marie Alvarez

Congratulations,

You are a daughter, sister, granddaughter and niece that we are very proud of. We've been with you always, but in the last four years have watched you grow from a young girl to a young woman. Seeing your dedication both in sports and academics have brought you stature and strength to last a life time.

All Our Love Always,
Mom, Dad, and Family

Leslie Ann Lineberger

Dear Leslie,

You have worked hard for this day. Congratulations on your graduation. You have a great big world out there — you're just beginning — how exciting!

Love,
Mamma, Daddy, & David Lee

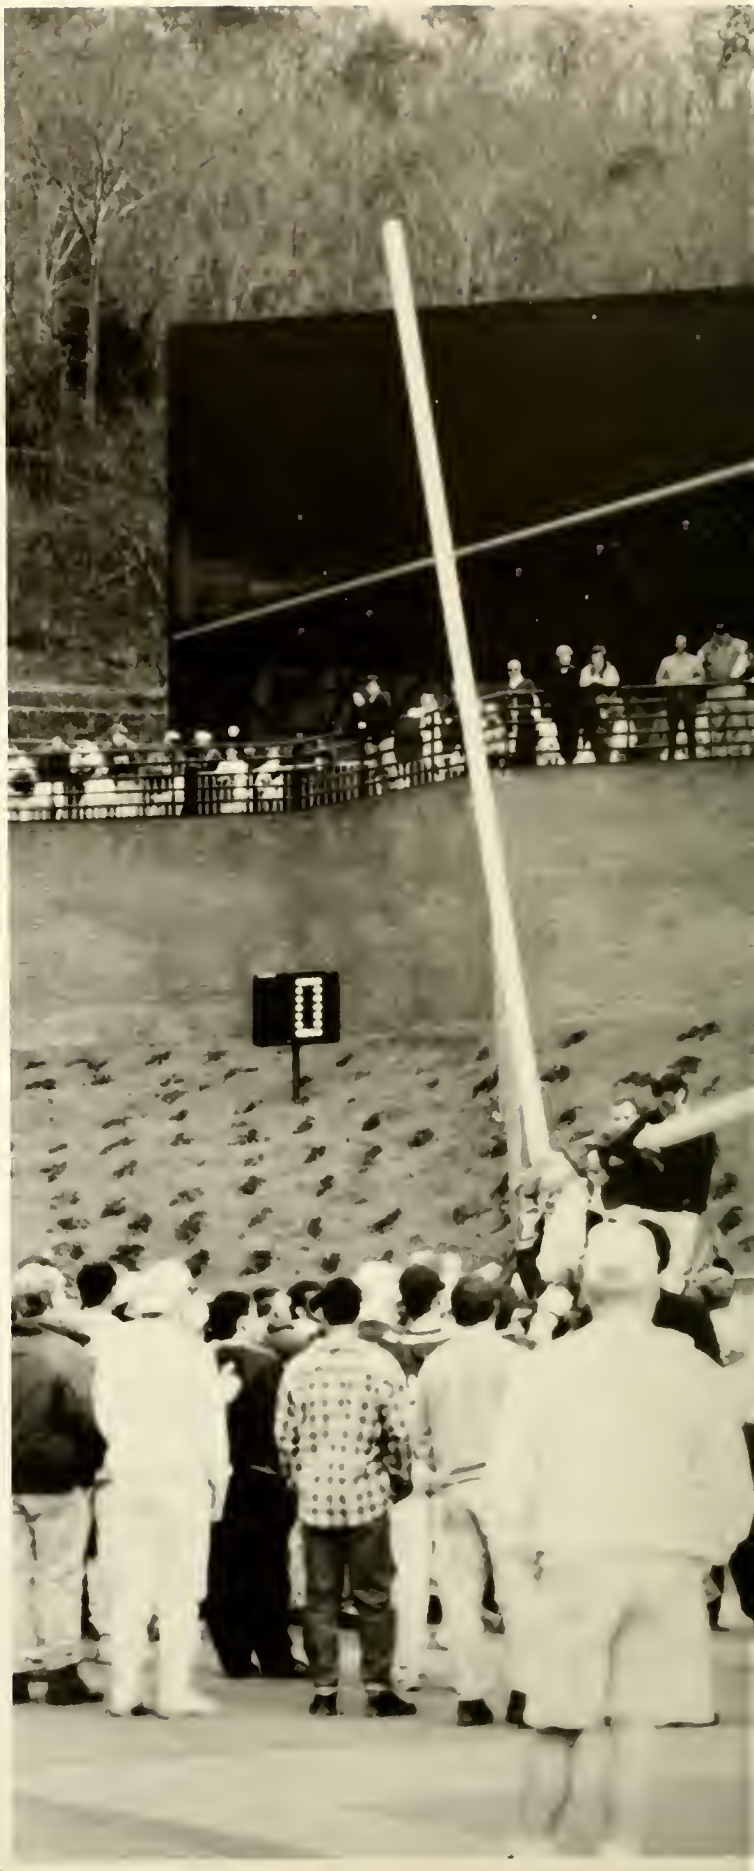
CLOSING

There is a place where the sidewalk ends
And before the street begins,
And there the grass grows soft and white,
And there the moon-bird rests from his flight.
To cool in the peppermint wind.

Let us leave this place where the smoke blows black
And the dark streets winds and bends,
Past the pits where the asphalt flowers grow
We shall walk with a walk that is measured and slow,
And watch where the chalk-white arrows go
To the place where the sidewalk ends.

Yes we'll walk with a walk that is measured and slow,
And we'll go where the chalk-white arrows go,
For the children, they mark, and the children, they know,
The place where the sidewalk ends. — Shel Silverstein



AM-4WCU

RUSH FORUM

1993 brought to all Western students both joy and sorrow, but most of all, this year has brought memories.

For, only those students who have walked through the halls of Western's buildings, or eaten in Western's cafeterias, or played frisbee on the U.C. lawn, are privileged enough to know what secrets this small school, whose treasures are protected by the vast mountains, hold.

And finally, as the bell tower tolls it's third toll, so the third CATAMOUNT of the 90's comes to a close.
